Shipping Weight	TBA	TBA
Color	Black	Black

Description

The re-designed Roto-molded Rack Cases meet the needs of musicians and pro audio engineers. The Roto Racks include a gasketed full front and rear covers for easy access.

These re-designed Roto Racks have a exterior design that includes a recognizable bar design that signifiys the rack size on the front and rear covers with interlocking capabilities for a secure stack with Roto Racks and the Roto Shallow Racks. Recessed steel, Mil-Spec black twist latches, and heavy-duty flush handles, front and rear rack rails with a rack depth of 17.6" so gear can now be mounted front and rear with the supplied rackmount clips.

SKB Roto Racks represent the ultimate in American technology with their roto-molded tough shells, front and rear lids, recessed heavy-duty twist latches, molded in handles, and shock absorbing rubber feet for solid stackability. The unique molded-in unbendable valance and steel threaded rails with self tapping screws make the SKB Roto Racks durable and convenient to use.
