### Specifications

Lid Depth	TBA	TBA	Exterior Width	17.75 in	45.09 cm
Base Depth	TBA	TBA	Exterior Height	23.50 in	59.69 cm
Interior Length	TBA	TBA	Exterior Cu. Volume	5.61 cu ft	0.16 cu m
Interior Width	TBA	TBA	Carton Length	24.00 in	60.96 cm
Interior Height	TBA	TBA	Carton Width	18.50 in	46.99 cm
Interior Cu. Volume	TBA	TBA	Carton Depth	24.00 in	60.96 cm
Space Units Total	14	14	Carton Cu. Volume	TBA	TBA
Rackable Depth	TBA	TBA	Product Weight	24.00 lb	10.89 kg
Depth Front Rail to Back Lid	19.50 in	49.53 cm	Shipping Weight	28.00 lb	12.70 kg
Exterior Depth	23.25 in	59.06 cm	Color	Black	Black

### Description

The 1SKB-R104 is a 10U slanted top and 4U front, rack case that features steel threaded rails, hard lid and doors, side access ports (for cable routing) and has enough space to mount the new 1SKB0-AV8 Retractable Shelf. The one piece base is roto-molded of Linear Medium Density Polyethylene (LMDPE) while the hard front and rear doors and lid are Injection molded of Rubber Modified Styrene (RMS). The back lid provides maximum access to the rack gear.

Two TSA locking SKB patented trigger latches secure the lid while the flat hard top allows for stacking while in transport and storage.

The 1SKB-AV8 8 is an 8U retractable shelf designed after our AV-14 (a 1SKB19-R1406 Mighty GigRig accessory). Not only is the AV-8 a great accessory/add-on for the 1SKB-R104, but also can be mounted to any slant top mixer type case with at least 8U of rack space, including our 1SKB-82DJ, 1SKB-84DJ and 1SKB-106DJ products. The AV-8 is the perfect solution for a laptop or projector.

### Features

- 10U Slanted rackmount on top
- 4U rackmount in front
- Hard lid and doors
- Side access ports for cable routing
- Injection molded front and rear doors and lid
- Two TSA locking patented trigger latches
- Stackable for storage and transport
