Description

The 1SKB-R4209W is the ideal protection for transporting professional tripods, lighting stands, or other hardware. Roto molded of rugged Linear Low Density Polyethylene this case is designed with internal foam on the base and lid to keep the equipment protected. The case has internal dimensions of 42" tall with a diameter of 9". It features a sturdy, high-tension slide release buckle with heavy-duty web straps for easy closure. This case has room on both sides to adhere shipping labels. The 1SKB-R4209W has two molded-in ergonomic carrying handles, and in-line skate style wheels for easy transportation. This case comes with an unconditional lifetime warranty.

Features

- Roto-molded for strength and durability
- Ergonomic molded-in carrying handles and tow handle
- Convenient quiet-glide wheels
- Adjustable web strap with easy release closure
- Foam in lid and base
- Space to adhere shipping labels
