Description

Accommodating 32" to 37" LCD screens, the 3SKB-3237 LCD Screen Case is rotationally molded of LLDPE Polyethylene for strength and durability. The interiors are designed to hold LCD screens in the desirable upright position with a universal interior foam padding system designed to configure easily for customized protection. The 3SKB-3237 LCD Screen Case offers superb quality and construction and can be shipped standard UPS or Fed X.

The case features a weather resistant gasketed tongue and groove valance, heavy-duty twist latches with a padlockable latch on each side, easy glide wheels for easy maneuvering, and one durable cushioned rubber over-molded handle in the front with two durable cushioned rubber over-molded handles on each side. This provides the perfect solution for storing your larger LCD screens in the storeroom or transporting to the trade show or conference center.
