Description

Specialty Cases' newest multiple laptop case combines lightness and durability. Perfect for transporting, shipping and storing up to 6 Laptops and accessories in one lightweight case. The hard shell Pelican Air case is molded with a proprietary lightweight resin making it up to 40% lighter than other polymer cases on the market. The interior of the case is customized with our pre-cut shock absorbing foam inserts and a compartment for your accessory items. Transport multiple laptops with ease. This case features quiet rolling stainless-steel bearing wheels. Large fold down comfortable handles can be used for lifting, while a retractable trolley handle is used for comfortable rolling. Guaranteed Unbreakable!
