Description

This extra large, heavy-duty case is ideal for safely transporting 11 Laptops. Quality, American made hard shell Pelican 1690 Protector transport case in combination with our precut foam inserts to secure the laptops makes for the ideal protection for fragile equipment during travel and shipping. Features include two double-hand side-grips for easy team lifting, two heavy-duty sets of polyurethane wheels with stainless-steel ball bearings and an extension handle for easy transport. Perfect solution for safely shipping, storing, transporting and protecting laptops in one watertight, industrial-strength case. Military Grade Protection! Guaranteed Unbreakable! Certifications include IP67, Def Stan 81-41 and STANAG 4280.
