## Description

Trust your laptops in this lightweight, hard-shell multiple laptop case that allows you to transport, ship and store 4 laptops in one heavy duty, lockable case. Features include a heavy duty pull handle and rugged wheels for easy transporting. The quality, American made SKB iSeries 2217-12 transport case in combination with our precut foam inserts to secure the laptops for maximum protection for fragile equipment from shock and impact damage while on the move. This injection molded, Mil-standard case is waterproof, dust proof and impact resistant offers maximum protection for your devices and accessories. Guaranteed unbreakable and backed by a lifetime warranty. Certifications include MIL-C-4150J / IP67, MIL-STD-648C and MIL-STD-810F.
